## Auris International Volunteer Registration Form

**Thank you** for your interest in volunteering with the Auris Project in Catorce, Mexico!

Volunteering with the Auris Project in rural villages in Central Mexico has been characterized as a life changing experience by past volunteers. Our volunteers choose our project for a number of reasons: the desire to experience another culture, research and field work, language acquisition, an introduction to international social issues, socially conscious adventure, and more. However, it is not for everyone. Before you fill out this form, please review all of the information on our [Auris International Volunteer Page](#) and related links.

**Please note:** Due to the amount of time and resources necessary to process international volunteer registrations, a non-refundable registration fee of \$25 is due upon acceptance of your registration. In the rare event that a registration application is declined, the entire registration fee will be returned to the registrant.

Please fill out the form completely and file using the "submit" button below. Auris staff will review your information and confirm in 3-7 business days that your registration has been received. Once we are clear about your interests and expectations, we will respond with a proposed volunteer activity plan and agreement. You may also print and fax this form to (435)203-2800, or [email it to us.](#)

PLEASE NOTE: You must provide a working telephone number. Applications without a valid telephone number will be discarded.
